

ELANY List of Foreign Insurers

For insurers listed on this page, excess line brokers are relieved from maintaining the records required by §27.13 of Regulation 41 since ELANY maintains these. Brokers must obtain and maintain records as required by §27.13 of Regulation 41 for insurers not listed on this page.

While other insurers may meet New York's minimum requirements and are therefore eligible in New York, ELANY's List of E&S Insurers only contains insurers that have provided additional voluntary information to determine satisfactory financial stability, the proper mitigation of operating risk, and ability to support current and future obligations.

It remains the responsibility of the broker under §2118 of the New York Insurance Law and §27.13 of Regulation 41 to use "due care" in selecting the unauthorized insurer from whom policies are procured under an excess line broker license.

ELANY List of Foreign Insurers

For insurers listed on this page, excess line brokers are relieved from maintaining the records required by §27.13 of Regulation 41 since ELANY maintains these. Brokers must obtain and maintain records as required by §27.13 of Regulation 41 for insurers not listed on this page.

While other insurers may meet New York's minimum requirements and are therefore eligible in New York, ELANY's List of E&S Insurers only contains insurers that have provided additional voluntary information to determine satisfactory financial stability, the proper mitigation of operating risk, and ability to support current and future obligations.

It remains the responsibility of the broker under §2118 of the New York Insurance Law and §27.13 of Regulation 41 to use "due care" in selecting the unauthorized insurer from whom policies are procured under an excess line broker license.
