HISTORY

Travelers Excess and Surplus Lines Company (Travelers Excess) was incorporated in the State of Connecticut in May 1987, as Aetna Excess and Surplus Lines Company, a subsidiary of Aetna Inc. Effective April 1996, control was transferred to Travelers Property Casualty Corp., its ultimate parent being The Travelers Companies, Inc. (Travelers). The company adopted its current name in June 1997. The company has been eligible to write surplus lines business in New York since December 19, 1997. As of December 31, 2019, Travelers Excess is licensed in Connecticut as a domestic surplus lines insurer and operated on a non-admitted basis in forty-nine (49) states, the District of Columbia, Guam, Puerto Rico, and the U.S. Virgin Islands.

REINSURANCE

Travelers Excess is a participant in an intercompany pooling agreement including thirty-four (34) affiliates, with Travelers Indemnity Company, pool lead, retaining 23.29%. The company cedes 100% of its premiums to Travelers Indemnity and receives a 0.27% share of the pool's combined results, which includes lines of business not directly written by the company, such as workers' compensation, homeowners multiple peril, commercial multiple peril and private passenger auto liability. As such, the financial strength of the company is heavily dependent on the underwriting performance of its fellow pool members, the credit risk of Travelers, as well as investment risk of its own investment portfolio, managed in common by Travelers. For the years 2017 through 2019, respectively, Travelers Excess net reinsurance recoverable was shown as \$333m, \$352m and \$379m, representing 540%, 572% and 609% of company surplus.

HOLDING COMPANY

The Travelers Companies, Inc., with headquarters in New York City, New York, is the result of the 2004 merger of the St. Paul Fire and Marine Insurance Group, formed in 1853 in Saint Paul, Minnesota, and the Travelers Insurance Group, formed in 1859, in Hartford, Connecticut. The Travelers is a leading provider of property casualty insurance for auto, home and business, offering insurance products in all lines of business. AM Best collectively rates sixty (60) insurance subsidiaries of the Travelers Group, including Travelers Excess & Surplus Lines Company. For the years 2017 through 2019, AM Best rated the group 'A++'.

SUBSEQUENT EVENTS

In March 2020, the Covid-19 influenza was recognized as a global pandemic, severely disrupting economic activity. As of April, 2020, the results of this event upon year-ending 2020 insurance operations and those of its parent group are not known. For those companies exposed, however, the potential for reduced premiums, return of premiums, and an increase in collections and operation expense may reduce cash flows. Losses and loss adjustment expenses may increase when losses become known and investments in affiliates and equity investments may suffer a decline in values. Also, the effect of future legislation, regulation and litigation could cause an adverse financial impact on those companies exposed.

Important Information Regarding Financial Summaries

This financial summary contains information helpful to New York excess lines brokers in meeting their non-delegable duty to use "due care" in the selection of a financially secure excess line insurer. Definitions of the financial terms used in the summaries appear as pop-up boxes when hovering your mouse over the corresponding text.
