**March 1, 2021**

## **RE: FORGED ELANY STAMP**

ELANY has determined that a certain party or parties have used a forged ELANY stamp and affixed it to one or more excess line policies themselves.

No one has the legal right to affix the ELANY stamp to any document **except** ELANY.

Any person that utilizes a forged ELANY stamp is risking license revocation or other enforcement proceedings at the discretion of the Department of Financial Services.
