## Lloyd's Syndicates

The Lloyd's syndicate(s) above are per the most recent release of the National Association of Insurance Commissioners (NAIC) Quarterly Listing of Alien Insurers.

## **Foreign Insurers**

For the foreign insurer(s) listed above, excess line brokers are relieved from maintaining the records required by <u>§27.13</u> of Regulation 41 since ELANY maintains these. <u>ELANY's list of E&S Insurers</u> only contains insurers that have provided additional voluntary information to determine satisfactory financial stability, the proper mitigation of operating risk, and ability to support current and future obligations.

While <u>other foreign insurers</u> may meet New York's minimum requirements and are therefore eligible in New York, brokers must obtain and maintain records as required by <u>§27.13</u> of Regulation 41 for insurers not listed on ELANY's list of E&S Insurers.

It remains the responsibility of the broker under <u>\$2118</u> of the New York Insurance Law and <u>\$27.13</u> of Regulation 41 to use "due care" in selecting the unauthorized insurer from whom policies are procured under an excess line broker license.

Foreign insurers on ELANY's list of E&S Insurers undergo a thorough financial analysis by ELANY. This analysis goes beyond verifying that the insurers meet the minimum standards of eligibility imposed by the Nonadmitted and Reinsurance Reform Act (NRRA). In addition, ELANY gathers, reviews and/or verifies the information as listed in <u>ELANY's Filing Requirements for New Applicants</u>. The <u>ELANY's list of E&S Insurers</u> includes financial snapshots of each foreign insurer with customized financial analysis.
